**Subject:** RE: Oklahoma v. Tyson - Stipulation

Robert:

I have run into a problem with tomorrow. I am relocating my office and as it turns out I am not the master of my own destiny. The phone/computer folks will be in the midst of moving all of this. I thought we had it set up for Saturday, but such is not the case.

We are continuing to work on the stipulation amongst us, what would be of greatest help is if you could point me to where in the Plaintiff's brief you find the language which you have referenced.

Thanks, Louis
